COMNAVAIRLANT NOTICE 5215

Subj: CONSOLIDATED CHECKLIST OF COMMANDER, NAVAL AIR FORCE,
U.S. ATLANTIC FLEET (COMNAVAIRLANT) DIRECTIVES

Ref: (a) SECNAVINST 5215.1C
(b) SNDL, Parts 1 and 2

Encl: (1) List of Effective COMNAVAIRLANT Instructions
(* denotes Instructions under revision when this
document went to print)
(2) List of Effective COMNAVAIRLANT Notices
(3) List of Canceled Instructions

1. Purpose. To promulgate enclosures (1) through (3) per reference (a).
2. Discussion. Directives listed in enclosures (1) through (3) are being distributed on Compact Diskette - Read Only Memory (CD-ROM). Activities not holding a specific directive should review the CD-ROM to determine if the directive is listed prior to requesting a copy. If the directive is not listed on the CD-ROM, a request should be submitted as stated below.

3. Request for CD-ROMs

a. COMNAVAIRLANT maintains copies of CD-ROMs to support new commissioning allowances and other new requirements. Request from departments within an activity will not be filled. Requests for additional CD-ROMs or requests for increase in allowance from non-new construction activities shall be submitted by official correspondence, including full justification. Telephone/walk-in requests shall be honored in emergency cases only.

b. Requests for classified directives for which an activity is on distribution require complete and detailed justification to include disposition of those classified directives that have previously been issued and the requirements for additional copies. Activities not on distribution must provide justification as to why the directive is required and why the activity should be included.

c. Parent activities are responsible for providing copies of CD-ROMs to departments and temporary detachments as necessary. Parent activities shall request additional copies of CD-ROMs for distribution to permanent detachments by requesting a change in the allowance contained in reference (b).

4. Action

a. All activities shall review their master set of directives to ensure that all applicable directives listed in enclosure (1) are held.

b. Cancel directives listed in enclosure (2).

c. Notices are listed in enclosure (3).

5. Cancellation contingency. This notice is canceled upon receipt of the next consolidated checklist of instructions.
